

CHALLENGE 2000 Becoming a Campus Lighthouse*

You are invited to become a *Campus Lighthouse* at your school! You can “let your light shine” on your campus and bring the light of Christ to your school through three powerful prayer actions.

First Things First

Prayer must be the first priority if you expect God to do anything significant on your campus. God promised: “Call unto Me and I will answer you and show you great and mighty things which you do not know” (Jeremiah 33:3). When you call upon God, you can count on Him to do more than you ever imagined possible!

You can do this when...

3 friends (you and two others)...

Meet 3 times a week to pray...

For 3 friends who need Christ.

In every prayer triplet, 9 friends who need Christ will be prayed for!

Consider starting a prayer triplet with friends from your sports team, school club, home church or campus outreach. See pages 14 & 15 in *1x1x56k – The Starter Kit for Campus Ministry* for more help in how to begin.

First Light

Once a number of students are praying together in 3's, make a list of each of their first period classes. Challenge other Christian students in your campus clubs and outreaches at your school to pray in 3's and...

**pray by name for every person
in their first period class.**

Why? Because your “heart’s desire and prayer to God for them is that they may be saved” (Romans 10:1). You and your praying friends can set the pace by praying for each person in your first period class every week.

Think about it. Every person in your school can be prayed for by name once every first period class is covered!

First Friday

After you begin praying in triplets and praying for everyone in your first period class, consider *fasting and praying* on the *First Friday* of every month.

The combination of prayer and fasting will help break Satan's hold on your school. When Jesus' disciples tried to help a teenager in bondage, they were powerless. Jesus told them, "This kind does not go out except by fasting and prayer" (Matthew 17:20).

You can fast by skipping breakfast and lunch on that Friday. At some schools, students meet before school at the flagpole and pray like they do for *See You at the Pole*. During lunch each prayer triplet can meet in a classroom and pray.

If you want some guidance on fasting, check out page 43 of **1x1x56k** for some helpful resources. Call 1-888-ALLIANCE to order.

If you, your friends, your youth group, and your campus outreach apply these three prayer strategies at your school, then you can have confidence that you are pursuing God's *FIRST* priority. He will hear and answer your prayers. Jesus said, "...my Father will give you whatever you ask in My name" (John 16:23). When He does, it will bring the LIGHT of Christ to your school and change your school in ways you never imagined!

It can all begin with you!
